Madam,

Re: Audit of Placement Report for 2016 placements of Post Graduate Programme in Management for Executives (PGPX) Programme

We have audited the Placement Report prepared by you on the final placement (based on offers received and accepted on campus) of students in 2016 of the Post Graduate Programme in Management for Executives (PGPX) of the Indian Institute of Management Ahmedabad (IIM-A). The Placement Report is the responsibility of IIM-A. Our responsibility is to validate the information provided in the report with the relevant documentation and comment on the Placement Report's conformance with the Indian Placement Reporting Standards (IPRS) Revision 2.1.

In this context, we confirm the following:

1. For the purpose of the audit, we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary. In our opinion, the Placement Report complies with the Indian Placement Reporting Standards Revision 2.1.
2. The validation of information presented in the report is based on communication received by IIM-A from recruiting companies. Brickwork Ratings (BWR) has not independently sourced any information or documentation.
3. We have verified the information with respect to job location, function and remuneration presented in the report with communication received from recruiters.
 - a. The information has been categorised as best as possible under different salary heads as given in the IPRS Revision 2.1; where a break-up was not available, the salary has been considered only as 'Maximum Earning Potential'.
 - b. Stock Options have been mentioned for three students. Our observations in this regard are :
 - i. For two students, stock options have been mentioned without details on how much vests in the first year. As these recruiters are unlisted entities, the amount relating to stock options has not been considered to arrive at 'Maximum Earning Potential'.
 - ii. For one student, a domestic offer was made but stock options were provided in international currency. As complete details on the ESOPS are not available, these have not been taken into consideration for calculation of 'Maximum Earning Potential'.
4. The acceptance of offers and number of students opting out of the placement process has been established through written communication from those students.
5. We have only audited the salary figures in the placement report and not the report's overview section, which explains the placement process.

Best Regards,

In this year's placement process, continuing the tradition, students were offered middle to senior level positions such as Associate Vice President, Associate Director, General Manager, Program Manager, and Senior Manager etc.

Some of the top global and domestic recruiters of this year are *Accenture, Airtel, Amazon, Ericsson, Goldman Sachs, Microsoft, Virtusa, Zensa*, etc. Some of the top new recruiters this year are *DRL, Eli Lilly, Genpact, L&T, Manipal Group, Persistent Systems, Pune City Connect, SAP, VBHC*, etc. *Airtel* continued to be the biggest recruiter of PGPX for this year also with seven accepted offers.
